2019-2020 Calendar – Additional Information

Late starts (classes starting at 10:00am with professional development time from 7:45 – 9:45 am) will be held on 13 days throughout school year as identified on the school district calendar. These 13 days (26 hours of professional development time) leaves the district with an excess of 35 hours at the MS/HS level and 110 hours for the elementary level over the DPI requirement for hours of instruction.

Time for Staff/Department planning will be used in the following areas:

- Differentiation and/or Intervention Strategies
- Team planning time
- Grading practices
- Best practices – learning strategies
- Work on Educator Effectiveness
- Learning target (Essential Learning Objectives, Essential Questions) development and alignment
- Professional development/training for staff in areas such as Infinite Campus, Skyward, Technology implementation, etc.
- Student data analysis

Students have the option of arriving on their own could arrive to start classes at 10:00am and/or unassigned staff (Aide’s and any subs) and potentially volunteer students will be used for supervision of gymnasium, library and cafeteria for any students riding the bus to school to arrive at 8:00 a.m.

**** For Staff: Our certified staff has 185 days (179 student days and 6 staff professional development days over the course of the school year – August 20 – June 7). The balance of the “190 day contract” (i.e. – 5 days/40 hours) will be comprised of professional development days/time. We will look to continue to allow staff to use: 1 day/8 hours of their contract for work on Educator Effectiveness (outside of the school day); 1 day/8 hours for District-directed professional development over the course of the school year; and 3 days/24 hours for ‘Summer Professional Development Workshop’ dates. These dates are planned for August 1 – 2, 2019 and August 13, 2019.
